Rediscover Wellness at the Rediscovering Me Clubhouse

Our Mission

The Rediscovering Me Clubhouse exists primarily to foster the growth and development of youth involved with substance use and abuse.

We provide a safe, drug-free environment that highlights individual strengths and helps youth build leadership skills through recovery coaching and engagement in positive enrichment activities so that they may lead productive lives.

What do we offer?

Our activities include, but are not limited to the following:

- FREE snacks and refreshments daily
- Outdoor recreational activities, sports and FREE field trips
- Indoor activities, such as pool, ping pong, arts and crafts, dance and video game systems: Xbox®, PlayStation® and the Wii™
- Homework tutoring and GED assistance
- Computer lab access
- Vocational training – job readiness groups, resume writing and mock interviews
- Support group activities led by the peer-recovery coach and other groups
- Monthly boys/men’s group meeting, to feature tie tying, appearance, hygiene and other group discussions
- Monthly girls/women's group meeting, to feature etiquette, body image, pamper days and other group discussions
- Healthy cooking, snacks and movie nights
